## HOW TO GO WEST.

This is an enquiry which every one should have truthfully answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "I. B. & W. Route," running from Indianapolis through Bloomington to Burlington, has achieved a splendid reputation in the last two years as the leading passenger route to the west. At Burlington it connects with the great Burlington Route which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Cairo on their way westward, cannot do better than to take the I. B. & W. and Burlington route.
